On Saturday 17th August the Southampton Archery Club will host its second 24 hour sponsored charity shoot in aid of a new Maggie's centre Southampton. The centre is charity funded and provides a place for families and friends affected by cancer to discuss in a safe, supportive environment. Staffed by Cancer Support Specialists, Benefits Advisors, Nutritionists, Therapists and Psychologists, it will be an invaluable resource for people in and around the Southampton area. Currently the nearest centres are in Oxford and London, this new centre will be housed just next to the Southampton General Hospital.

Please sponsor _____ and help this great, local charity.

On the day we'll have an ice-cream van, archery tag, "have-a-go" sessions and much more for archers and non-archers alike.

We are hoping that each person shooting our "Golden 24 hour target" will raise at least £25 per slot, hopefully a little more. Please contact tournaments@southamptonarcheryclub.org to reserve your slot.

Thanks in advance for your generosity.
